# AZURETAX TALK

Strategic International Tax Advice

## UK TAX FOR INDIVIDUALS AND BUSINESSES

Are you an individual worried about your UK tax status? Would you like to find out if you are holding your assets tax efficiently? Are you a business which has just starting trading in the UK? Come find out what qualified UK tax professionals advise regarding these areas on how to ensure you comply with UK regulations. The talk will include the following discussions:

### Individuals

- How can you break, or establish UK tax residence?
- What is domicile, and what is the impact of this? Can you change your domicile?
- Should you be paying UK National Insurance?
- Should you be filing UK tax returns?
- What are the issues regarding holding assets jointly or solely?
- What are the impacts of buying UK property?
- How should you hold assets- in insurance wrappers, companies or trusts? Which is the cheapest?
- What are the ways to minimize UK inheritance tax?

### Businesses trading in the UK

- Where is your business resident?
- Is your business a UK permanent establishment? What are the effects of this?
- Do you need to be VAT registered? Are you charging the correct rates of VAT?
- Do you need to pay UK tax on the business profits?
- Do you have any UK employer obligations for employees or directors resident in the UK?
- Do you have any UK employer obligations for employees or directors resident in HK?
